Great American Tobacco Duck Race Benefiting  
the Inter-Faith Food Shuttle

*Individual and Corporate Sponsors Needed!*

We invite you to participate in the **Great American Tobacco Duck Race** scheduled for May 16th, 2009 on the banks of the Old Bull River at the American Tobacco Campus in Durham. This very important fundraising event benefiting the Inter-Faith Food Shuttle will attract the financial support of thousands of individuals and hundreds of area companies.

Is this the first duck race held as a fundraiser for a stand-out nonprofit organization like the Food Shuttle? Heck No! But this just might be the best one! We know this approach to fundraising & awareness-building works, but only if a lot of individuals and companies come on board as supporters.

Here is how it works—individuals and companies “purchase” rubber ducks in any increment, even just one duck. At the height of the Duck Race—which includes music, door prizes, snacks, contests for the kids, and just a few brief speeches—hundreds of ducks will be simultaneously released to float swiftly down the Old Bull River.

There will be prizes for winners of the Duck Race, at both the individual and the corporate level, including airline tickets. Prizes will be awarded for First, Second and Last place—would your company like to donate a prize to the Race? Call our office!

The biggest winners, of course, will be the **thousands of working poor families, children, and seniors** who confront hunger every day in the Triangle area. The Duck Race will help raise the funds necessary for the Food Shuttle to continue serving as **our area’s #1 provider** of nutritious, fresh food to children, seniors, and working families.

Please contact the Food Shuttle offices to arrange for duck purchases or prize sponsorships—PO Box 14638 Raleigh, NC 27620; or [www.foodshuttle.org](http://www.foodshuttle.org); or (919) 250-0043.
